No Shows and Cancellations

Client Name: ___________________________________

When you schedule an appointment with our staff, New Hope Counseling Center reserves that time just for you. If you are not going to attend your scheduled appointment, we would like to give another client the opportunity to take that opening. It affects our funding, our ability to budget our staff, and staff salaries when there are missed appointments. That is why we require **24-hour advance notification of cancellation**. Leaving a message on our voicemail is fine, even on weekends. The time you called will be posted with the message. If you fail to give 24-hour notice before cancelling your appointment or do not show for your appointment up to two times, your therapist has the right to refuse services or you may be asked to make your appointment two to three weeks from missed appointment date. We appreciate the courtesy you extend to us by honoring this agreement. Please note that **we cannot bill your insurance company for missed sessions** or for late cancellations.

Weather Related: Missed appointments due to dangerous weather will not count as a late cancellation.

Due to the counselors maintaining a set schedule:

- If you are 30 minutes late for 60-minute appointment, you will be able to be seen for 30 minutes.

By signing this agreement I acknowledge my understanding of all the policies listed above. I accept and agree to all of the above terms during the course of my treatment at New Hope Counseling Center.
